Section 3. HAZARDS IDENTIFICATION

Overexposure (Acute): General, Low oral and dermal toxicity

Eye Contact: May cause eye irritation
Skin Contact: May cause skin irritation
Inhalation: None known
Ingestion: Single dose oral toxicity is relatively low. Small amounts swallowed incidental to handling not likely to cause injury; swallowing larger amounts may cause injury.

Section 4. FIRST AID MEASURES

- **Oral**: Do not induce vomiting. Get immediate medical attention
- **Eye**: Flush eye(s) with water for at least 15 minutes or until irritation subsides. Get medical attention if eye irritation develops or persists.
- **Skin:** Wash with soap and water. Immediately remove contaminated clothing. Get medical attention if irritation develops. Launder contaminated clothing before re-use.
- **Inhalation:** Vapor pressure is very low. Vapor inhalation under ambient conditions is normally not a problem. If adverse effects are observed, remove exposed person to fresh air. If breathing is labored, administer oxygen. If breathing has stopped, apply artificial respiration. If overexposed to oil mist, remove from further exposure until excessive oil mist subsides.

### Section 5. FIRE FIGHTING MEASURES

**Flash Point:** >550 F, COC Typ.
**Extinguishing Media:** Carbon Dioxide, dry chemical, water spray (fog) and foam. Note: water, water fog and foam may cause frothing and spattering.
**Special Firefighting Procedures:** Wear self-contained breathing apparatus and full turn out gear to fight fire. Use water to keep exposed containers cool and disperse vapors. Avoid spreading liquid and fire by water flooding.
**Unusual Fire and Explosion Hazards:** Fire involving large amounts of material may cause container rupture and abrupt “fireball” effect. Do not approach.

### Section 6. ACCIDENTAL RELEASE MEASURES

**Environmental Impact:** Not Determined

**Spill Procedures:** Evacuate all non-essential personal. Personal Protective Equipment must be worn (see Personal Protection Section for PPE recommendations). Remove sources of ignition.
