

# DIESEL EXHAUST FLUID

Diesel exhaust fluid (DEF) is imperative for optimal engine performance and emissions control. Our updated offering of Prime Guard® ULTRAPURE Diesel Exhaust Fluid leads to improved vehicle fuel efficiency and lowered maintenance costs.

## THE PRIME GUARD® DEF DIFFERENCE

- A safe, environmentally-friendly solution for Selective Catalytic Reduction.
- Meets the stringent ISO 22241, AUS 32 and DIN 70070 standards for purity and concentration.
- An ULTRAPURE, formaldehyde-free, NOx reducing treatment specifically formulated for diesel engines equipped with SCR systems.
- API certified, guaranteeing the quality and suitability for proper SCR operation.

PRODUCT ID	NAME	SIZE
DEF12	ULTRAPURE DEF Jug	2.5 Gal
DEF55	ULTRAPURE DEF Drum	55 Gal
DEFV3	ULTRAPURE DEF Tote	330 Gal
